Summary of Examiner Interview

Honorable Commissioner of
Patents and Trademarks
P.O. Box 1450
Alexandria, VA 22313-1450

Sir:

On or about May 12, 2008, Examiner MinSun Harvey and the applicant's attorney had a discussion about the statutory double patenting rejection in the Office Action dated 3/26/08. There was agreement that the statutory double patenting rejection should be changed to an obviousness type double patenting rejection. The applicant's attorney assumes that a new Office Action will be issued with this change. If this is not the case, the applicant respectfully requests that the Examiner call the applicant's attorney and inform him of this.

The applicant's attorney wants to thank Examiner Harvey for her patience and help in this matter.

Respectfully submitted,

(Neumann)
